

## Activity2: Bug Reporting

The screenshot shows a web form titled "New Registratio" (misspelled). The form has the following fields and content:

- Choose User Id:** Input field containing "T\$1Dw\_5&". To its right is the label "Enter User ID".
- Password:** Input field containing "\*\*\*\*\*". To its right is the label "Enter Password".
- Confirm Password:** Input field containing "hello123".
- Name:** Input field containing "Tester1.1 and Tester 1.2".
- Email:** Empty input field. To its right is the text "(Requires verification. Will not be published.)".
- Country:** Dropdown menu showing "India".
- Verification:** A small image showing a verification number "4" with a green checkmark. To its right is the text "Please enter the verification number exactly as shown in left." Below this is an empty input field.
- Register:** A button with the text "Register".
